Main/Hot Pool/Diving Board Open

Trying to put on a PFD just before capsizing is like trying to buckle your seat belt just before you crash.

Set a good example for your children, choose a PFD you like and use it!

Swim Definitions

Lane Swim:

Open to all ages with supervision policy in effect. Main pool is divided into 3 lanes for lap swimming. The Diving board and Hot/Wading pool are not open.

Adult Swim:

Open to those who are 18 years of age and older. Main Pool is divided into 3 lanes for lap swimming, one recreational lane with easy stair access. Hot/Wading Pool are open.

Public Swim:

Open to all ages with child supervision policy in effect. Main Pool is divided in half separating the deep and shallow end. Diving board and Hot/Wading pool are open.

Hot/Wading Pool Swim:

Open to all ages with child supervision policy in effect. This pool is divided into two parts: one side offers therapeutic relaxation with jets and wheelchair access, while the other side is shallow for wading and small children.

What's a PFD?

PFD stands for Personal Flotation Device. Most people call PFDs "lifejackets", but lifejackets have greater buoyancy and are designed to turn most unconscious victims face up. People use PFDs because they are generally less bulky, more comfortable, and come in a wide range of attractive colours and styles. You can even get inflatable PFDs.
